

DISASTER AWARENESS GUIDE

BE PREPARED • STAY SAFE • HELP OTHERS

Simple steps taken today can save lives tomorrow.

EMERGENCY NUMBERS

112
EMERGENCY
(ALL SERVICES)

101
FIRE
BRIGADE

108
AMBULANCE

100 / 112
POLICE

FIRE

- Stay calm and raise an alarm.
- Call the Fire Brigade immediately.
- Use the stairs. Do NOT use lifts.
- If there is smoke, stay low and cover your nose and mouth with a cloth.
- Help children, elderly and other persons if it is safe to do so.

GAS LEAKAGE

- Do not panic.
- Open doors and windows for ventilation.
- Turn off the gas supply if it is safe to do so.
- Do NOT switch electrical appliances on or off.
- Do NOT use matches or lighters.
- Move to a safe place and inform authorities.

EARTHQUAKE

REMEMBER

- Drop to the ground.
- Take cover under a sturdy table or desk.
- Hold on until the shaking stops.
- Stay away from windows, mirrors and heavy objects.
- After the shaking stops, move to an open area carefully.

BUILDING SAFETY

- Keep staircases, exits and passages clear.
- Do not store heavy or inflammable items in common areas.
- Report any cracks, leaks or unsafe conditions to the society office.
- Follow instructions from authorities during an emergency.

WHAT CAN WE ALL DO?

Be aware.
Learn safety measures.

Spread awareness
in your society.

Participate in drills
and training programs.

Cooperate with
your society and
authorities.

Help each other
in times of need.

PREPARED CITIZENS SAVE LIVES

SAVE LIVES • REDUCE RISK • BUILD A SAFE COMMUNITY

Disaster preparedness is everyone's responsibility.
A small step today can make a big difference tomorrow.

Keep this guide in a safe place for quick reference.

FAMILY AWARENESS & PREPAREDNESS

A PREPARED FAMILY IS A SAFE FAMILY

Plan Today • Prepare Together • Stay Safe Always

BE PREPARED IN 6 EASY STEPS

1 BE INFORMED

Learn about different disasters and the safety measures. Stay updated through trusted sources.

2 MAKE A PLAN

Discuss and create a family emergency plan. Know exit routes, assembly point and important contacts.

3 EMERGENCY CONTACTS

Save emergency numbers in your phone and keep a printed list at home.

4 PREPARE AN EMERGENCY KIT

Keep essential items ready in an easy to carry bag.

5 STAY TRAINED

Learn basic first aid, fire safety and how to respond during an emergency.

6 HELP EACH OTHER

Check on elderly neighbours and support those who may need help.

EMERGENCY KIT – ESSENTIAL ITEMS

Drinking Water

Dry / Non-Perishable Food

First Aid Kit

Torch & Batteries

Whistle

Battery / Hand Radio

Important Documents
(Waterproof Pouch)

Cash & Small Change

Extra Clothes & Blanket

Masks & Sanitizer

Multi-purpose Tool

Notebook & Pen

Keep your kit in an easily accessible place.
Check and update items every 6 months.

IMPORTANT THINGS TO REMEMBER

Know at least two exit routes from your home.

Identify a safe meeting place for your family.

Keep a list of emergency contacts with you at all times.

Keep a duplicate key of your house in a safe place.

Take care of elderly family members and children.

Do not forget your pets. Plan for their safety too.

During an emergency, follow instructions from authorities.

HOW TO RESPOND IN AN EMERGENCY

STAY CALM
Do not panic.
Stay calm and think clearly.

LISTEN
Listen to official instructions and follow them.

ACT QUICKLY
Act quickly but safely. Help others if you can.

COMMUNICATE
Use phone only for emergency calls.

STAY TOGETHER
Stay with your family and move to a safe place.

STAY SAFE
Your safety is important. Be prepared!

Prepared as part of an Academic Disaster Management Awareness Survey
Prepared by:
Amit Padhye
Disaster Management Law Certificate Course
VPM's TMC Law College, Thane
For Educational & Public Awareness Purposes Only

This leaflet is prepared solely for educational and public awareness purposes as part of an academic field study. It is not an official publication of any Government department.
In an emergency, always follow instructions issued by the Police, Fire Brigade, Disaster Management Authorities and local administration.
